STRALCIO PER IL TERRITORIO DI GINOSA

PAI AdB Puglia - Aggiornamento 2009

Legenda

The legend is organized into three main sections, each with a collapse/expand icon on the left and a visibility checkbox. The first section, 'Limiti, strade e ferrovie', is expanded and contains a single checked item. The second section, 'PAI', is collapsed and contains three items: 'Peric. Geomorf.' (unchecked), 'Peric. Idraulica' (checked), and 'Rischio' (checked). Under 'Peric. Idraulica', there are three sub-items: 'bassa (BP)' with a light blue square, 'media (MP)' with a cyan square, and 'alta (AP)' with a dark blue square. Under 'Rischio', there are four sub-items: 'R1' with a pink square, 'R2' with a light red square, 'R3' with an orange square, and 'R4' with a red square. The third section, 'Base Cartografica', is collapsed and contains eight items, all with checkboxes: 'IGM 250.000(WMS)' (unchecked), 'IGM 25.000(WMS)' (checked), 'Ortofoto Puglia' (unchecked), 'Ort. Campania(nord)' (unchecked), 'Ort. Campania(sud)' (unchecked), 'Ortofoto Basilicata' (unchecked), 'Global Mosaic(WMS)' (checked), and 'Ort. MATT (WMS)' (unchecked). To the right of each item is a horizontal slider control.

- Limiti, strade e ferrovie**
- PAI**
